OBJECTIVE

Aspiring **MERN stack** developer with a can-do attitude, committed to crafting clean, efficient code. Adept at turning ideas into practical solutions through curiosity and teamwork. Ready to contribute to innovative projects and advance within the software development industry.

SKILLS

Front-end: React JS, React Native JavaScript, HTML/CSS, Redux Toolkit, Tailwind CSS, Bootstrap
Back-end: Node JS, Express JS, MongoDB, RESTful APIs, MySQL, PHP
Others: AWS, GitHub, Postman, OOP, Agile Methodologies (SCRUM, KANBAN)

PROJECTS

AI Software Architecture Advisor

React JS and Google Gemini AI

- **Developed** an AI-powered software architecture advisor for a **LabLab.ai Hackathon**, recognized and appreciated by worldwide mentors.
- **Implemented** intelligent architecture suggestions to improve software design processes, enhancing efficiency and reducing development time by 20%.

Real-Estate Marketplace Web App

MERN, Firebase, Redux Toolkit and JWT

- **Developed** a platform revolutionizing the real estate industry by seamlessly connecting buyers and sellers, featuring dynamic property listings and advanced search capabilities to enhance user engagement.
- **Implemented** secure user authentication and robust data management practices, ensuring data integrity and enhancing platform trustworthiness for all users.

Expense Tracker Web App

MERN, Context API and Material UI

- **Developed** a user-friendly dashboard interface for visualizing and managing expenses, enhancing user experience, and ensuring seamless data retrieval and states management.

EDUCATION

Mohammad Ali Jinnah University,

09/2020 - 07/2024

Bachelor of Science in Software Engineering; **CGPA: 3.52**

- Final Year Project **2nd Runner-Up** position.

- **FYP:** AR App for Marts with Admin Dashboard.

ACHIEVEMENTS/HONORS

President's and Dean's Award for Outstanding Academic Performance (MAJU)

Recognized for exceptional academic achievement.

Meta Front-End Developer Badge

Demonstrated proficiency in front-end development.

CERTIFICATIONS

- **META** - Front-End Developer Professional Certificate.
- **IBM** - Developing Applications with React, Node JS and Express.
